

The R. G. Mazer Group Stores Earn Gold Sales Club Recognition

RACINE, Wis. (January 31, 2008)—
CNH Parts & Service has recognized
The R. G. Mazer Group with membership
into its prestigious Precision Farming Gold
Sales Club.

Members of the CNH Parts & Service
Precision Farming **Gold** Sales Club sold \$1
million or more of Precision Farming
equipment and parts in 2007. Only **seven**
out of 3,500 Case IH and New Holland
dealerships in North American earned the
'**Gold**' standard last year. The awards were
presented at the CNH Parts & Service
Precision Farming National Sales
Conference for Case IH and New Holland dealers,
held in Ames, Iowa on January 29 to February 1.

“We are exceptionally pleased and honored to receive this award,” said **Bob Mazer, President and CEO for The R. G. Mazer Group**. “Precision Farming sales are red hot right now, and our goal is to demonstrate to area customers the positive economics and surprising number of ways this technology can boost farm productivity.”

Customer acceptance of Precision Farming technology has grown dramatically over the past five years as early adopters report substantial returns on their investment – including increased margins from lower input costs.

“It is a pleasure to work with innovative dealers like **The R. G. Mazer Group** who are on the cutting edge of farm technology,” says Frank Rabusic, Precision Farming National Sales Manager for CNH Parts & Service. “Our dealers are the reason we are quickly becoming the industry leader in Precision Farming. Their dedication to helping the local farmer is an inspiration to us all.”
